## **2. Scope of data processing:**

### **2.1. Data collected directly by the Data Controller:**

The Data controller **does not directly collect any personal data**, they only collect and store settings and preferences set by the Data Subjects. This data is stored only on the computer that the Data Subject uses in the browser's localStorage.

	<b>Data Collection activity</b>	<b>Description</b>
<b>1.</b>	Storing the fact that the user already interacted with the cookie information banner	If the Data Subject has already accepted (or refused) the use of cookies, the pop-up window about the use of cookies will not automatically appear again.
<b>2.</b>	Storing the cookie settings	The Data Subject's preferences regarding cookies, based on which individual cookies are enabled or disabled on the computer used by the Data Subject.
<b>3.</b>	Storing the selected language	The website will remember the language selected by the Data Subject, provided that they consented.
<b>4.</b>	Storing the selected theme	The website will remember the theme selected by the Data Subject, provided that they consented.

Regarding the data stored on the computer used by the Data Subject, you can read more in the [Cookie Policy](#).

## 2.2. Data collected by third parties:

In some cases, third-party cookies placed by the Data Controller on the website may collect personal data.

	Data Collection activity	Description
1.	Analyzing the traffic of the website	The Data Controller uses the <b>Google Analytics</b> service to analyze website traffic, if the Data Subject consents to the use of analytical cookies

Regarding third party cookies you can read more in the [Cookie Policy](#).

## 3. Purposes of data processing:

The Data Controller processes the Data Subjects' data for one or more of the following purposes:

- Compliance with applicable laws
- Providing a customized user experience
- Analyzing the website's traffic

## 4. Legal basis of data processing:

The Data Controller processes the Data Subjects' data based on one or more of the following legal titles:

- Legal obligation
- The voluntary consent of the Data Subject that can be withdrawn any time

## 5. Data Processors associated with the Data Controller:

### 5.1. The company provides the hosting of the website, which is also an independent Data Controller:

### 5.2. The company provides website traffic analysis, which is also an independent Data Controller:

**Name:** Google Ireland Limited

**Address:** Gordon House, Barrow Street, Dublin 4, Ireland

**The company's Privacy Policy:** <https://policies.google.com/technologies/partner-sites>

## 6. Cookie Policy

The website uses cookies and similar technologies to enhance the browsing experience, provide customized content and analyze network traffic. These cookies and similar technologies fall into the following three categories:

### 6.1. Cookies are essential for the website to function properly

The following cookies are essential for the website to function properly and/or to comply with the EU's General Data Protection Regulation (GDPR).

#### 6.1.1. „consent.isAgreed“ localStorage entry

Logical (yes-no) type localStorage entry that stores whether the Data Subject has made a statement regarding cookies (consented or denied the use of cookies). If the Data Subject has already made a statement, the cookie information banner will no longer appear automatically when they visit the website later. Of course, the Data Subject can open the information window again at any time and modify their previous declaration by clicking on the "Change cookie settings" button at the bottom of the website.

**The purpose of the Data Processing** is to comply with applicable law.

**The legal basis of the Data Processing** is legal obligation.

**The duration of Data Processing** is not specified, as the data is stored exclusively on the Data Subject's computer and can be deleted by the Data Subject at any time.

#### 6.1.2. „consent.cookieConfig“ localStorage entry

JSON (JavaScript Object Notation - <https://www.json.org/json-en.html>) type localStorage entry, that stores which cookies the Data Subject has allowed or denied. If the Data Subject refuses to use a cookie or similar technology, it will be removed from the website or deactivated, or in the case of localStorage entries, the entry will be deleted from the computer used by the Data Subject.

**The purpose of the Data Processing** is to comply with applicable law.

**The legal basis of the Data Processing** is legal obligation.

**The duration of Data Processing** is not specified, as the data is stored exclusively on the Data Subject's computer and can be deleted by the Data Subject at any time.

## 6.2. Cookies to personalize of the website

The following cookies serve to customize the website and thereby enhance the user experience.

### 6.2.1. „preferences.language“ localStorage entry

JSON (JavaScript Object Notation - <https://www.json.org/json-en.html>) type localStorage entry, that stores the language selected by the Data Subject.

**The purpose of the Data Processing** is to provide customized user experience.

**The legal basis of the Data Processing** is the voluntary consent of the Data Subject.

**The duration of Data Processing** is not specified, but it takes place at most until the consent of the Data Subject is withdrawn. Furthermore, since the entry is stored exclusively on the Data Subject's computer, it can be deleted by the Data Subject at any time.

### 6.2.2. „preferences.theme“ localStorage entry

JSON (JavaScript Object Notation - <https://www.json.org/json-en.html>) type localStorage entry, that stores the theme (visual style) selected by the Data Subject.

**The purpose of the Data Processing** is to provide customized user experience.

**The legal basis of the Data Processing** is the voluntary consent of the Data Subject.

**The duration of Data Processing** is not specified, but it takes place at most until the consent of the Data Subject is withdrawn. Furthermore, since the entry is stored exclusively on the Data Subject's computer, it can be deleted by the Data Subject at any time.

## 6.3. Analytical cookies

The following cookies used to analyze the traffic of the website.

### 6.3.1. „\_ga“ and „\_ga\_xxxxxxxxxx“ cookies

Google Analytics cookies, which collect information regarding the traffic of the website.

Read more: <https://policies.google.com/technologies/partner-sites>

**The purpose of the Data Processing** is to analyze the website's traffic

**The legal basis of the Data Processing** is the voluntary consent of the Data Subject.

**The duration of Data Processing** is 2 months from the date of the last visit to the website or the withdrawal of consent.

At the Data Subject's special request, the Data Controller sends a data deletion request to Google, as a result of which the Data Subject's data will disappear from the Google Analytics reports within 72 hours. However, the final and complete deletion always takes place within 2 months (this is regulated by Google).
